Who are we?

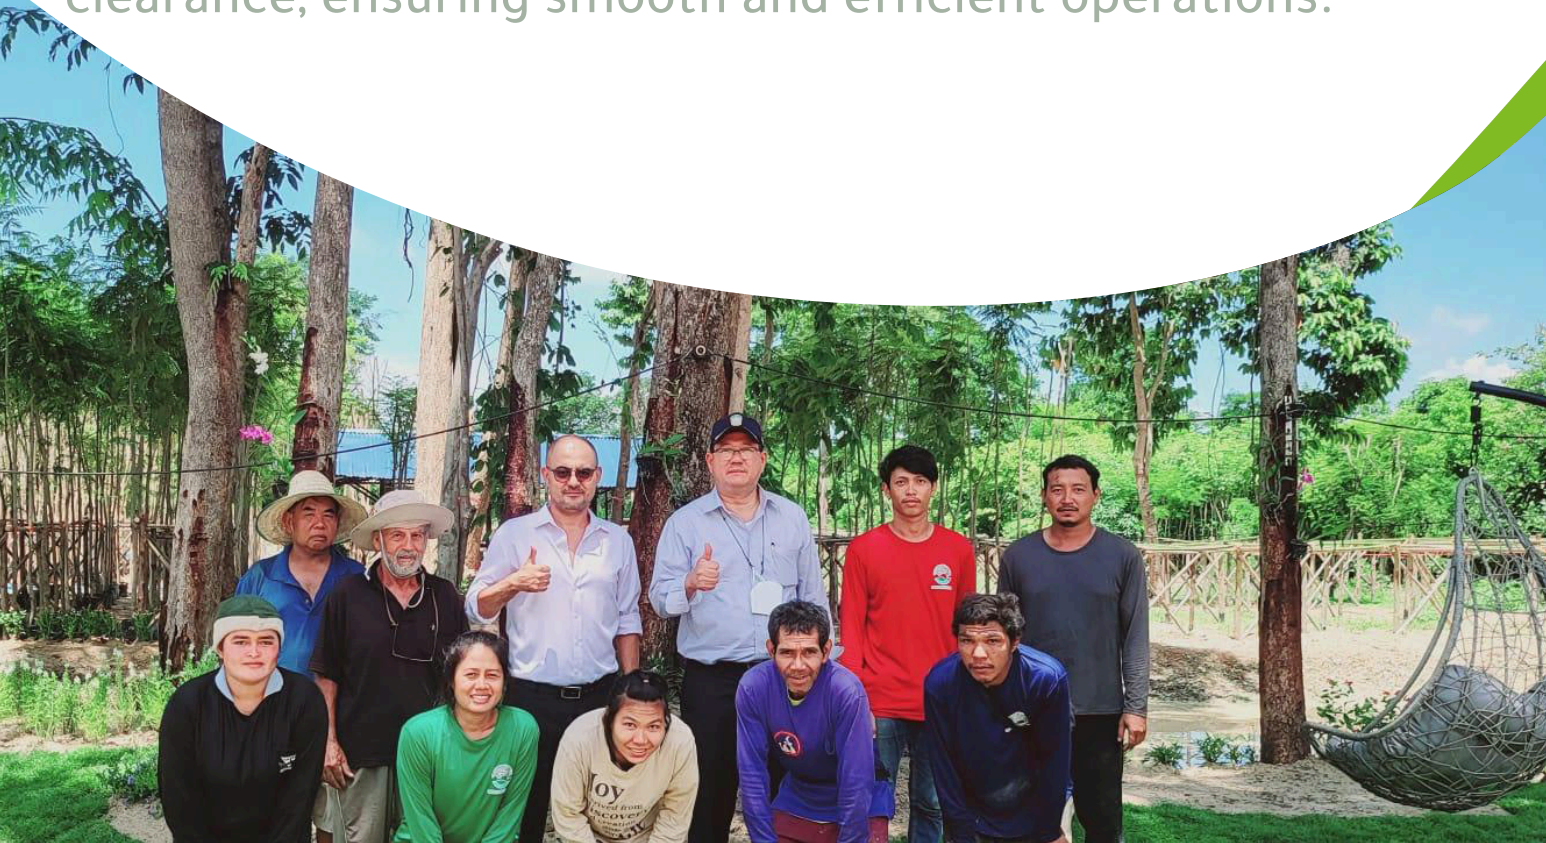

Tree 29 is a leading supplier of high-quality trees and plants, expertly suited for challenging environments such as arid and desert regions. We specialize in the supply, cultivation, and planting of diverse species, tailored to meet the unique requirements of global clients.

Capabilities

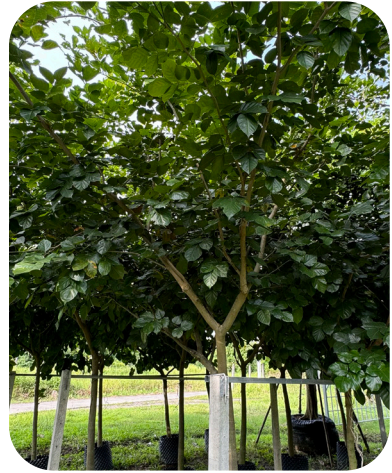

With our well-established nurseries and partnerships with top growers, Tree 29 delivers exceptional quality and comprehensive services, including logistics and customs clearance, ensuring smooth and efficient operations.

Commitment

We are dedicated to sustainability and innovation, supporting large-scale projects with expert knowledge and a commitment to meeting the highest standards of customer satisfaction.

Our Services

Plant & Tree Supply

We provide an extensive range of native and indigenous species, meticulously selected to thrive in diverse environments, including arid.

Planting Service

Tree 29 has the capacity to plant up to one million trees annually, supporting large-scale reforestation and landscaping initiatives.

Export & Logistics

We manage every aspect of the export process, ensuring safe and efficient delivery of plants and trees to their final destinations.

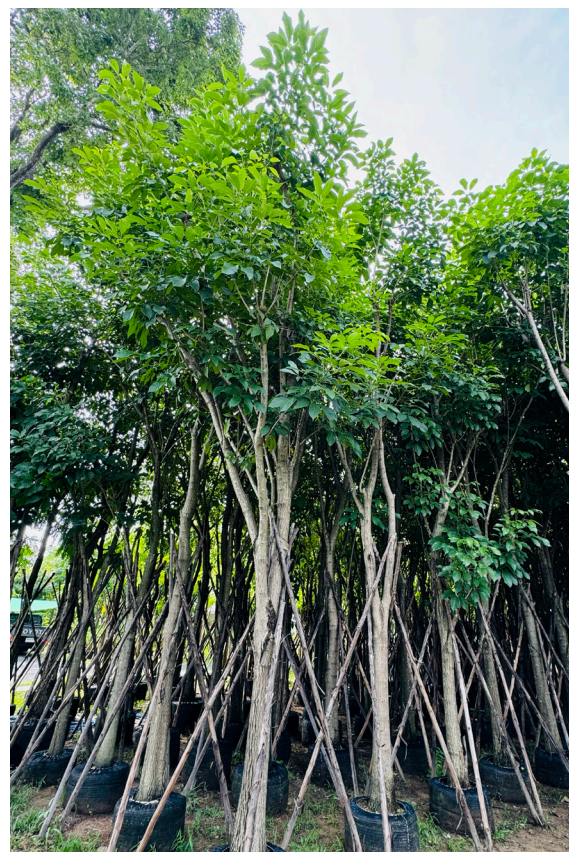

Why us

- 🌱 Efficient shipping processes with a focus on the GCC region.
- 🌱 A diverse selection of ornamental and native plants.
- 🌱 Availability of species adapted to harsh climates, including deserts.
- 🌱 Comprehensive export documentation and certification for seamless transactions.
